Dear Mr. Ferguson,

It was most kind of you to think of sending me the typed list of my Grandfather's names of family. I am very pleased to have it, & thank you so much for having taken the trouble to type it for me. What a large family he had, & how many of their descendants he seeks to have set right & entirely. I do not think I had all the

correct, at least they always kept their birthdays on different days which I believe they imagine were the right days - My sister Henrietta's was on November 21st. My father's was on January 19th he is still living. My sister Judith's was on September 8th & my sister Susan's was on July 4th. I wish I knew the other dates that you are making to find out. We are having very high weather at present, & say it has been lovely & it has felt almost as if it were

Summer in the highest sunshine, it is very pleasant but I fear we may pay for it a little later on, which will be a sad pity as young Henry is so advanced for his time of year. If ever you & Mrs Ferguson do come to Brighton, I hope you will come to see me. With kind regards to you both
Yours sincerely
Helen S. Montefiore.

A very fine stone.
