## Autosomal DNA match between you and Géza Vas(Schwarzc)

Geni relationship: 31st cousin twice removed

**Julian Land**

Y I-M253 mt H69 at

**Immediate Family:** Son of William Leonard Land and Mary Eleanor Land  
Husband of Sylvia Geddes  
Father of Amy Land Pejoska and Clare Land  
Brother of Rosemary Tipping

**Géza Vas(Schwarzc)**

at

**Immediate Family:** Son of Gabor Vas and Vas Gáborné  
Brother of <private> Vas,ifj and Edit Svartz

**Estimated Relationship:** 3rd to 2nd Cousin Twice Removed ?

Overlap: 57.4 cM

Longest segment: 11.9 cM

DNA testing suggests this profile could be related more closely than currently represented in the family tree. Although DNA testing does not corroborate this relationship, this does not necessarily mean the relationship in the family tree is incorrect. Autosomal relationship predictions are based on statistical probabilities, some relationships will fall outside the statistical range. This could be due to outliers in genetic familiarity or genetic differences in certain endogamous ethnic groups.
